

Don't Lose Access to Instructional Materials for Your Student!

Opt-in for continued use of YouTube, Google Maps, Google Earth, and more.

Google announced a change to separate some tools as “additional services” outside of the core offerings that will still be available at schools. In order for your student to continue to receive access to “additional services”, you must opt your student in **before June 12, 2025**.

We have provided a short form to maintain uninterrupted access for your student.

These tools will remain available regardless of your response to the opt-in form:

Gmail

Drive

Calendar

Classroom

These tools will *not* remain available without your action, and are often part of your student's lesson plans:

YouTube

Google Maps

Google Earth

Google Translate

Opt your student into Google's additional services on any device in just a couple of minutes here:
<https://www.parentsquare.com/feeds/50202940>

If you have more than one student in SCUSD, please complete the form for each scholar.
