I understand and acknowledge that the student named above has voluntarily chosen to participate in the field trip at his/her own risk. I know and fully understand that the field trip may involve numerous risks, dangers, and hazards, both known and unknown, where serious accidents can occur, and where participants can sustain physical injuries, damage to their property, or even die. Regardless of whether the field trip involves physical contact, any field trip related activity may have inherent risks of injury which are inseparable from the activity. I authorize the student's participation and acknowledge and willingly assume all risks and hazards of potential injury, paralysis, and death arising from the field trip.

I, understand and acknowledge that field trips contain potential risks of harm or injury. Injuries may arise from the student's actions or inactions, the actions or inactions of another student or participant, or the actual or alleged failure by school employees, agents, or volunteers to adequately coach, train, instruct, or supervise. Injuries might also arise from an actual or alleged failure to properly maintain, use, repair, or replace physical facilities or equipment. Injuries might also arise from undiagnosed, improperly diagnosed, untreated, improperly treated, or untimely treated actual or potential injuries. All such risks are deemed to be inherent to the student's participation in the field trip.

- I acknowledge that under California law the student will have no claims against the district, charter school or state arising from the field trip pursuant to Education Code § 35330, which states in subd. In consideration for the district or charter school allowing the above-named student to participate in the field trip, I voluntarily agree to release, waive, discharge, and hold harmless the district or charter school, its trustees, officers, employees, and agents from any and all claims of liability arising out of their negligence, or any other act or omission which causes the above-named student illness, injury, death, or damages of any nature in any way connected with the student's participation in the field trip.

Emergency medical information regarding the student is on file with the district or charter school and is current. If an injury or medical emergency occurs during the field trip, a supervising teacher, sponsor or chaperone has my express permission to administrator or to authorize the administration of urgent or emergency care, including the transportation of the student to an urgent care or emergency care provider. In such circumstances,

notice to me and/or the Emergency Contact of the injury or medical emergency may be delayed. Therefore, any urgent or emergency care provider has my express authority to conduct diagnostic or anesthetic procedures, and/or to provide medical care or treatment (including surgery), as they may deem reasonable or necessary under all existing circumstances. All costs and expenses associated with such care are solely my responsibility. I agree to release and discharge the district (or charter school), its trustees, officers, employees, and agents from any act or omission of negligence in rendering or failing to render any type of emergency or medical services.

The supervising teacher or sponsor will discuss school-related activity rules and safety requirements with students and adult chaperones prior to the field trip, which may include dangerous or hazardous conditions or circumstances exposing the student to potential harm or injury, potentially including death. Students are required to obey all rules and safety requirements of the field trip, as well as Codes of Conduct and general standards for respect of persons and property and good behavior. I understand and agree that failure of the student to follow field trip rules or safety requirements may result in the student being sent home, at my expense, and that the student may be barred as a result from future field trips.

I acknowledge that I have read this authorization and release and understand that participation in the field trip requires giving up substantial actual or potential rights. In Consideration for the Student's ability to participate in a Student Activity, Student Club, and/or a Special Class or Program (including after-school programs or classes involving special risks of harm or injury) listed above (the "Activity"), including any try out or process used to select members to join or participate in the listed Activity, or attendance or participation in any Activity meeting, class, competition, show, event, or presentation, including travel to and from any meeting, class, competition, show, event, or presentation ("Activities"), the Student and the Parent or Legal Guardian ("Adult") signing this Agreement agree as follows:

1. It is a privilege, not a right, to participate in extra-curricular activities, including Activities. The privilege may be revoked at any time, for any reason, that does not violate Federal, State or District laws, policies or procedures. There is no guaranty that the Student will make the Team, remain on the Team, or actively participate in Team events, shows, performances, or competitions. Such matters shall remain exclusively within the judgment and discretion of the District and its employees.

Failure to meet these obligations may, in the discretion of the District, result in immediate removal from Activities and a prohibition against any future involvement in Activities or other extra-curricular activities. Should the violation of these obligations also result in bodily injury or property damage during Activities, the Adult will (a) pay to restore or replace any property damaged as a result of the Student's violation, (b) pay any damages caused to bodily injury to an individual, and (c) defend, protect and hold the District harmless from such property damage or bodily injury claims.

4. Participation in Activities might result in injuries, potentially including serious or life threatening injuries or death. Injuries might arise from the Student's actions or inactions, the actions or inactions of another Student or participant in Activities, or the actual or alleged failure by District employees, agents or volunteers to adequately coach, train, instruct, or supervise Activities. Injuries might also arise from an actual or alleged failure to properly maintain, use, repair, or replace physical facilities or equipment available for Activities. All such risks are deemed to be inherent to the Student's participation in Activities. By this Agreement, the Student and Adult are deemed to fully assume all such risks and, in consideration for the right of the Student to participate in Activities, understand and agree that to the fullest extent allowed by law they are waiving and releasing any potential future claim they might otherwise have been able to assert against the District, or any Board Member, employee, agent or volunteer of the District ("Released Parties") by or on behalf of the Student or any parent, administrator, executor, trustee, guardian, assignee or family member and further understand that transportation to or activities at another location are "field trips" or "excursions" for which there is complete immunity pursuant to Education Code § 35330..

5. If the Student believes that an unsafe condition or circumstance exists, or otherwise feels or believes that continued participation in Activities might present a risk of Injury, the Student will immediately discontinue further participation in Activities, notify School personnel of the Student's belief, and notify a parent or guardian of the Student's belief. Any parent or guardian of the Student shall, thereafter, not allow the Student to participate in Activities until the unsafe condition or circumstance is remedied, with any question or concern regarding the alleged existence of the unsafe condition or circumstance addressed to their satisfaction.

6. Emergency medical information regarding the Student is on file with the District and is current. The Adult agrees to provide updated medical information during the course of the Student's participation in Activities. If an injury or medical emergency occurs during Activities, District employees, agents or volunteers have my express permission to administrator or to authorize the administration of urgent or emergency care, including the transportation of the Student to an urgent care or emergency care provider. In such circumstances, notice to me and/or the Emergency Contact of the injury or medical emergency may be delayed. Therefore, any urgent or emergency care provider has my express authority to conduct diagnostic or anesthetic procedures, and/or to provide medical care or treatment (including surgery), as they may deem reasonable or necessary under all existing circumstances. All costs and expenses associated with such care are solely my responsibility.

7. Employees, agents or volunteers of the District, members of the press or media, or other persons who may attend or participate in Activities, may photograph, videotape, or take statements from the Student. Such photographs, videotapes, recordings, or written statements may be published or reproduced in a manner showing the Student's name, face, likeness, voice, thoughts, beliefs, or appearance to third parties, including, without limitation, webcasts, television, motion pictures, films, newspapers, yearbooks, and magazines. The novel coronavirus (or COVID-19) has created a pandemic resulting in a State of Emergency in California. COVID-19 is extremely contagious and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and health officers have required or recommended social distancing and, in many instances, have prohibited or significantly limited the congregation of groups of people.

Sacramento City Unified School District (“District”), is complying with guidance and taking reasonable steps to mitigate the risk of spreading COVID-19. However, this risk cannot be completely eliminated and District, cannot guarantee that you and/or, if applicable, your student(s)/child(ren) will not become infected with COVID-19. Further, participating in the District, transportation services, by bus or otherwise could increase your and/or, if applicable, your student(s)/child(ren)’s risk of contracting COVID-19. Consequently, for the safety of our staff, students, parents, and other visitors, District requires all persons participating in its activities during this pandemic to acknowledge an assumption of the risk, waive (i.e. release) liability, and agree to abide by our COVID-19 protocols, as follows:

1. I request to participate in the District’s transportation services. If applicable, I am the parent and/or legal guardian of the above-named student(s)/child(ren), and I request that he/she/they be allowed to participate in the district’s transportation services and I give my permission for he/she/they to do so.
2. Assumption of Risk. By signing this agreement, I understand and acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I and, if applicable, my student(s)/child(ren), may be exposed to or infected by COVID-19 by the use of the school district’s transportation services, and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 as a passenger on district transportation may result from the actions, omissions, or negligence of myself and others, including, but not limited to, other participants or District, officials, employees, volunteers, and/or representatives. I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any harm, loss, or injury to myself and/or, if applicable, my student(s)/child(ren) (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense of any kind, that I, or, if applicable, my

student(s)/child(ren), may experience or incur in connection with the above Activity. ("Claims").

3. Waiver of Liability. In consideration for the District allowing me and/or, if applicable, my student(s)/child(ren) to use the district's transportation service, I, on behalf of myself, and/or, if applicable, my student(s)/child(ren), hereby release, covenant not to sue, discharge, and hold harmless the District, and any officials, employees, volunteers, and/or representatives thereof ("Releasees"), of and from the Claims, including all liabilities, claims, actions, damages, costs, or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any claims based on the actions, omissions, or negligence or other conduct of District, its officials, employees, volunteers, agents and/or representatives, whether a COVID-19 infection occurs before, during, or after use of the district's transportation services.

4. Agreement to Abide by COVID-19 Protocols. I agree that I, and/or, if applicable, my student(s)/child(ren), will not enter District grounds, facilities, buses or any other vehicles if I am, and/or he/she/they is/are, feeling ill, which includes, but is not limited to, the following symptoms: fever, cough, difficulty breathing, shortness of breath, chest pain, and/or bluish lips or face. I understand and acknowledge that I, or, if applicable, my student(s)/child(ren), may be denied entrance or admittance if the District determines that I am, or he/she/they is/are, showing any such symptoms. I warrant and represent that I am not aware of any medical condition of myself and/or, if applicable, my student(s)/child(ren) which would render it inappropriate for me and/or him/her/they to use the district's transportation services. I agree to abide by all COVID-19 guidelines and other COVID-19-related policies and procedures, which may change over time as circumstances change over time. This may include hand washing requirements and temperature checks for myself and, if applicable, my student(s)/child(ren). I agree to practice good hygiene etiquette such as sneezing into my elbow, utilizing tissues, and avoid touching my eyes, nose, and mouth, and, if applicable, to instruct my student(s)/child(ren) to do the same. I understand and acknowledge that my failure to abide by and/or my failure to ensure that any student/child of mine abides by this agreement may result in me and/or, if applicable, my student(s)/child(ren), being removed from the Athletic Program.
